# *God, what's Your will for my will?*

By **MATT FOGLE**

As the Chief Development Officer of Frontier Ventures, I have the privilege of joining a legacy missions organization that started in 1976 who has served alongside pioneering leaders serving the least reached peoples of the earth.

This simple prayer could be the catalyst for a legacy that touches eternity. Through our new partnership with FreeWill, you can create a lasting impact in just 20 minutes by:

- **Securing your future:** Make crucial decisions about your finances and healthcare
- **Protecting your loved ones:** Ensure your family is provided for
- **Building a kingdom legacy:** Support Frontier Ventures' mission to reach the unreached

Have you already included Frontier Ventures in your will? We'd love to hear from you and express our heartfelt gratitude for your commitment to this vital mission.
